Harvest Party photos! We had such a good time at the Harvest Party this year! Once again, we stuffed pinatas, and the children had a good time trying to smash them! The competition was stiff this year as our ladies put their best pies to the test. There were sticky fingers all around as we roasted hot dogs and marshmallows, drank spiced cider, and scarfed down some yummy pie. The kids had fun playing "Throw the Stone at Goliath," hobbling three-legged races, working together for parachute games, manhunt for the adventurous, and tic-tac-toe. Thanks again for your prayers!
