REACHING RHODE ISLAND FOR JESUS CHRIST

Thank you so much for your faithful prayers for this ministry!

Thank you for your faithful support!

As of today, we are working on the final step necessary to obtain our well permit. Please continue to pray for the permit process. Thank you also for your continued support towards our building program.

Thank you so much for praying for our church events. Although some of our folks could not attend the Annual Wild Game Dinner because of sickness, we had 8 guests, a great service, and a delectable spread! Moose Stew, Teriyaki Duck, Moose Chili, Wild Turkey Pot Pie, Venison Stroganoff, Pheasant Soup, and Moose American Chop Suey were the main dishes. There was more food than we could eat, as usual.

It even snowed, but it was light enough that church didn't have to be cancelled. That was a blessing, since we prepared most of the food on Saturday! Thanks again for your prayers!

On page 2, the top five pictures are from the Northeast Association of FWB Mid-Winter Refresher in North Turner, Maine. Thirteen folks from our church enjoyed fellowship with other FWB churches in New England. We had a great time!
