REACHING RHODE ISLAND FOR JESUS CHRIST

VOLUME X
ISSUE 5
MAY 2011

Special thanks to Dock Hoilman, Cindy, and the teens from **Heritage Free Will Baptist Church** in Fredericksburg, VA. They worked hard trying to help put up a silt fence at the church property so that when we get our permits, we can begin excavation. But they discovered after a few hours of hard work that there were just too many rocks. They also helped clear a truckload of trash that had been dumped on the lot. Then they presented a youth rally for our kids. We were very blessed to have them.

Thank you so much for your faithful prayers for this ministry! Thank you for your faithful support!
Thank you for your continued prayers for the well permit, and thank you for your donations for the building program!

Pictured above, **the Goodfellows**, from Gateway Free Will Baptist Church in Virginia Beach, VA, came in their RV to be our next-door-neighbors for a month. They will be teaching a men's and women's Sunday school class, and he will be teaching our Wednesday night

Bill and a group of homeschoolers and other believers at the National Day of Prayer meeting in North Kingstown.

family Bible study. We are calling May "Family Emphasis Month." They have already been such a blessing since they arrived, helping us daily with whatever we are doing, which is extremely helpful to Christy with homeschooling. We will be missing them in June for sure!

Easter & Mother's Day

We had a very nice Easter and Mother's Day this year. We have had several new guests in the past month. Please pray for us as we reach out to these new families and individuals. Thank you!
