

May's Youth Activity was basketball, volleyball, and a cookout at Wilson Park. The kids were impressed with Mr. Goodfellow's basketball skills! Some of the children also enjoyed playing on the playground at the park.

Mrs. Goodfellow had the girls help put on a tea party for "Girls' Night." Then we did manicures/pedicures and watched some of the "Love Comes Softly" series together while the guys went to Fenway Park to watch the Red Sox.

Sarah is holding one of our 3 baby goats born this spring. We have some homeschool friends with whom we share 3 dairy goats. Below, the children with

Mr. Warner after working in the garden and cleaning the lobster

pot ropes and pots. There wasn't room for pictures of the children's concert with their homeschool orchestra and other events from May, but we are relieved to catch a breath now!
